Inclusion Matters

We're on a mission to provide the best person-centered care and support services we possibly can.

Our vision is to "reduce inequalities and support people with learning disabilities and autism to overcome the barriers they face to leading fulfilled lives".

We provide the following services:

Housing

We provide personalised supported living and residential care creating safe, welcoming homes that promote independence, dignity, choice, and opportunities for individuals to thrive.

Education & Employment

We provide personalised education and employment pathways for individuals including supported internships and a learning college for school leavers with EHCPs.

Day Services

We provide a wide range of creative and practical activities, including arts, wellbeing, music, and community experiences. Our approach allows individuals to explore new skills and build confidence at their own pace.

Social Enterprises

We offer a range of social enterprises that provide supportive, real-world opportunities to help build confidence, develop practical skills and gain work experience.
